

Current Opinion in Neurology

Volume 27(1) pgs. v-viii,1-132 February 2014

Editorial

introductions.

pg. v-viii

Miscellaneous

Interventional treatment of brain ischemia related to intracranial cerebrovascular occlusive lesions.

pg. 1-7

Caplan, Louis R. a; Thomas, Ajith J. b; Inoa, Violiza a

Miscellaneous Article

Third International Stroke Trial 3: an update.

pg. 8-12

Arauz, Antonio a; Berge, Eivind b; Sandercock, Peter c

Miscellaneous Article

Closure of patent foramen ovale in cryptogenic stroke: a never ending story.

pg. 13-19

Calvet, David; Mas, Jean-Louis

Miscellaneous Article

Pathophysiology and risk factors of cervical artery dissection: what have we learnt from large hospital-based cohorts?.

pg. 20-28

Debette, Stephanie a,b,c,d
Miscellaneous Article

Are we overestimating the stroke risk related to contraceptive pills?.

pg. 29-34

Gompel, Anne; Plu-Bureau, Genevieve
Miscellaneous Article

The ischemic penumbra: the location rather than the volume of recovery determines outcome.

pg. 35-41

Rosso, Charlotte a,b,c,d; Samson, Yves a,b,c,d
Miscellaneous Article

Arterial spin labeling magnetic resonance perfusion imaging in cerebral ischemia.

pg. 42-53

Hartkamp, Nolan S. a; van Osch, Matthias J.P. b; Kappelle, Jaap c; Bokkers, Reinoud P.H. a,d
Miscellaneous Article

Transcranial brain stimulation to promote functional recovery after stroke.

pg. 54-60

Raffin, Estelle a; Siebner, Hartwig R. a,b
Miscellaneous Article

Ethical considerations in stroke patients.

pg. 61-65

Kelly, Adam G.; Sahin, Bogachan; Holloway, Robert G.
Miscellaneous Article

EYEE: exciting year for eyes and ears.

pg. 66-68

- Bronstein, Adolfo M. a; Plant, Gordon T. b
Miscellaneous

Surgical and endovascular interventions in idiopathic intracranial hypertension.

pg. 69-74

- Spitze, Arielle a; Malik, Amina b; Lee, Andrew G. a,c,d,e,f,g
Miscellaneous Article

Ocular motor disorders.

pg. 75-82

- Willard, Anna; Lueck, Christian J.
Miscellaneous Article

Aetiology of infantile nystagmus.

pg. 83-91

- Gottlob, Irene; Proudlock, Frank A.
Miscellaneous Article

Novel brain imaging approaches to understand acquired and congenital neuro-ophthalmological conditions.

pg. 92-97

- Millington, Rebecca S. *; Ajina, Sara *; Bridge, Holly
Miscellaneous Article

Genetics of dizziness: cerebellar and vestibular disorders.

pg. 98-104

- Requena, Teresa a; Espinosa-Sanchez, Juan M. a,b; Lopez-Escamez, Jose A. a,c
Miscellaneous Article

Migraine and dizziness.

pg. 105-110

Bisdorff, Alexandre

Miscellaneous Article

Fear of heights and visual height intolerance.

pg. 111-117

Brandt, Thomas a,b; Huppert, Doreen a,b

Miscellaneous Article

The influence of anxiety on ocular motor control and gaze.

pg. 118-124

Staab, Jeffrey P.

Miscellaneous Article

The cognitive neurology of the vestibular system.

pg. 125-132

DSeemungal, Barry M.

Miscellaneous Article
